Answer

MINISTER OF STATE (DR. SUBHASH BHAMRE)
IN THE MINISTRY OF DEFENCE
????? ????? ?????? (??. ????? ?????)

(a) & (b): The manpower in the Border Roads Organisation (BRO) consists of Army personnel as well as civilian employees, who are governed by different terms and conditions of service. Hence, the pay and allowances and other facilities applicable to these categories are not comparable.

(c) to (e): Most of the units of the BRO are located in difficult and inaccessible areas in Northern and North-Eastern border States. Considering the difficult working conditions in the BRO, additional facilities have been provided to the civilian employees.
